Mtg Minutes 6/20/24

HELLO LADIES!!

Treasurer's report:

We have 11 members yet to pay their dues (reminder, your score will not count in games or scrambles if you haven't paid your dues)

Does anyone know if the following will be playing this year – they were on the list last year:

Paula Chelgren, Carol Fries, Sheila Leppela, Isabelle Mecklin, Dorothy Norlen, Ruth Rabold and Jan Swanson

Our current balance is \$2534.17 (after the scramble night) with 38 Paid members

Old Business:

Chip in pot – If anyone chips in on a particular week – please DO NOT take the pot of quarters at the end of your round as there could be other folks who may chip in as well for the weeks event. The Chip-in pot will be paid out to you from the “games coordinator” and there will be an envelope placed in the front of the sign in book with your winnings.

New Business:

REMINDER: You need to put the date you golfed on the score card along with a FULL name. With no dates and only initials – there is no way to know who you are and what date you actually golfed. *Thanks!!*

Next golf scramble date is Thursday, July 18 – shotgun start at 5:30pm - more details on the event will go out in a couple weeks.
